MULTI-ACTIVITY DAY

Although primarily renowned as a shooting day, we are becoming increasingly famous for the excellence of our multi-activity days. Our expertise within this area is unrivalled and our client list reads like a Who's Who of the business world.

The multi-activity event requires the integration of a number of important elements within the day to ensure its success. These include forward planning, organisational skills, and a venue large enough to allow the activities to take place in isolation of each other, but arranged in such a way as to make for the smooth and seamless changeover between each of them.

At our Shooting Grounds, our team of professional instructors will ensure that all aspects of your day will run smoothly, efficiently and safely, as would be expected from Holland & Holland.

TYPICAL MULTI-ACTIVITY DAY

Based on three events and 20 guests.

- Shotgun Shooting** - Catering for the absolute novice to the highly skilled shot. The grounds at Holland & Holland provide an almost unlimited range of targets.
- Archery** - The traditional image of the earliest Longbow is long gone, today's bows are made of compound materials, making them powerful but easy to use. From the Longbow style to sophisticated Crossbows shooting with stunning accuracy, we provide them all, together with a wide variety of realistic and fun targets.
- Hovercraft** - Mini Hovercraft, which fly rather than drive, so no mud there then! Just huge fun, very fast and steered rather like a motorbike. It will soon become obvious why the course is so big.

CATERING

Any outdoor activity is guaranteed to do one thing and that is to produce huge appetites during the day. In recognition of this, we will serve only the finest food to satisfy those hunger pangs.

From the start of the day, whether the call is for a simple bacon roll or a full English breakfast, to a snack lunch, finishing with a barbecue or a full three-course meal, we will provide the very best food available.

Our Safari room can host up to 100 guests for a formal meal or 150 for an informal buffet. For meetings, up to 150 can be seated 'theatre style'. Our Harris Holland dining room is ideally suited for smaller groups.

For larger parties up to 400 guests, a marquee can be provided, but whatever the size of your party, our catering will be up to the same high standard as the rest of the day.
